

Spaghetti Supper FriendRaiser

A Spaghetti Dinner Friendraiser was held in the small but mighty town of Napanee. Not only did the community step up and make the Friendraiser a huge success but also surrounding communities. There was a huge storm just before it was time for the dinner to start and there was concern that there would be a power outage and most wouldn't make it. The dinner was held at Crabby Joes and they served over 90 plates of spaghetti on top of other patrons that night. Nicole Deutekom, little Max's mom, and the rest of their brood came all they way down from Peterborough in the storm. It was a busy, exciting and heart warming night. They were able to raise \$1,885.00 that night and \$1,713.00 went to the Sturge Weber Foundation.
