PeDRA VIRTUAL CONFERENCE - OCTOBER 2020

The Sturge-Weber Foundation attended the PeDRA virtual conference this year. The conference was quite different than previous years, but nevertheless had an abundance of information about new treatments and research underway in the pediatric dermatological field. Below is a link to Dr. Craig Burkhardt's information presented at the conference! Through PeDRA, the Foundation is able to collaborate with professionals and provide windows of opportunity to fund new and continuing research for dermatology.

2020 GIVING OPPORTUNITIES

Are you as ready as we are to bring a little cheer into 2020? It's been an exhausting year for all of us. During this time of Thanksgiving and celebrating the end of a year and the possibilities a new year brings, help us spread a little cheer and continue the momentum in SWS research. We have several opportunities available from gifting a special someone with Webster Bear, purchasing a special gift for someone on our Online Store, to doubling your donation through our Matching Gift Program. All donations are tax deductible and every dollar donated goes to our continuous effort to fund research and provide a better quality of life for those with SWS.
