GEMS HOPE & STRENGTH

CELEBRATING RARE BRILLIANCE
& THE POWER OF RESILIENCE

Why Gems of Hope and Strength?

Beneath the waves of life lies a rare and radiant treasure, which is the individuals your foundation supports. Ruby also leans towards the color of a port-wine birthmark. This event celebrates rarity, resilience, and beauty with a sophisticated underwater and gemstone brilliance.

Join us for this cool fundraising event at the Downtown Aquarium

Downtown Aquarium features a public aquarium boasting more than a million gallons of underwater exhibits that highlight fascinating ecosystems around the world. Downtown Aquarium houses over 500 species of animals and interactive Stingray Reef touch tank.

Our event will take place in the Dive Lounge, an upscale bar.

Your support is helping to make life easier for all people impacted by a birthmark or Sturge-Weber syndrome!

Don't miss this extraordinary event!
