

Tip: Print on a cardstock paper. Just poke a hole in the middle with a pencil for easy hanging.

There is Strength in Shared Struggles

When we think of our global warriors, we don't just see a community – we see family. A bold, unstoppable family united by the fight against a rare disease.

Cut out the ornament and hang it on your tree as a reminder that we are grateful for you, our family!

Don't forget to show it off on social media and tag us!
