2021 Sturge-Weber Foundation's Education Days Series

Join us for the 2021 SWF Education Days beginning Saturday, February 6th, 12:00-3:00 PM (EST). These virtual conferences are a great way to learn more about what is being done in the various medical fields for SWS patients. Professionals from these medical fields will speak on various topics and also provide an opportunity to ask questions.

Dates for 2021 Education Days are:

- **February 6 (Registration now open)**
- April 3
- June 5

Ed Day Registration

- August 7
- October 2
- December 4

If you have any questions or concerns, please contact Julia Terrell, jterrell@sturge-weber.org. **To register for the February 6th event, click the button to the left.**

RARE DISEASE DAY

PATIENTS: THE HEROES OF RARE DISEASE RESEARCH

Register!

RARE DISEASE DAY 2021 is FEBRUARY 28

Rare Disease Day takes place on **the last day of February each year**. The main objective of Rare Disease Day is to **raise awareness** among the general public and decision-makers about **rare diseases and their impact on patients' lives**.

The campaign targets primarily the general public and also seeks to raise awareness amongst policy makers, public authorities, industry representatives, researchers, health professionals and anyone who has a genuine interest in rare diseases.

SWF encourages you to participate in the global "virtual" event and learn how important your voice is in raising awareness about the impact of rare diseases.

SAVE THE DATE! VIRTUAL SWF CLINICAL CARE NETWORK CONFERENCE

How Can We Communicate With You Better?

Communicate

Let's face it, technology exhaustion is a REAL thing. So many emails, text messages, social media posts, and direct mail. SWF wants to serve and communicate better with our community. That means asking you what type of information you wish to receive and how you wish to receive that information.

Please take one minute and submit a small survey telling us exactly what type of communications you wish to receive. This will also help us update our contact information on you in the event you have moved, or changed your email address.

Thank you so much for helping us be better communicators!

2020 Donor Acknowledgements

In an effort, by the SWF Board, to optimize the use of resources and utilize donations in a more beneficial way, Donor Acknowledgements for 2020 will be mailed out by January 31, 2021. All donations made during 2020 will be recorded on the acknowledgement as a total sum for the year. If you have any questions, please contact Maristel Aguilar, maguilar@sturge-weber.org.

Thank you for your support in 2020!
