# Reunion of Champions

ICEBAR • ORLANDO

## Why Fire & Ice?

We chose “Fire and Ice” as our theme to vividly represent the dual nature of the laser treatments that treat Port-Wine Birthmarks. The “fire” symbolizes the intense heat generated by the laser, which targets and treats birthmarks. In contrast, “ice” represents the soothing cooling therapy that follows, helping to alleviate discomfort and protect the skin. This theme encapsulates the balance between power and comfort, highlighting our commitment to delivering effective yet gentle care.

## Join us for this cool fundraising event at the World Famous ICEBAR

“Experience the most popular ICEBAR in the World! Featuring 70 tons of hand-carved ice, the coolest cocktails in our signature ice glasses, shot skis, and more.”

Your support is helping to make life easier for all people impacted by a birthmark or Sturge-Weber syndrome!

## Don't miss this extraordinary event!
